Welcome and Introductions

- League is 100% volunteer run
- We need families and parent involvement to help keep running smoothly, hence need for volunteer deposit
- Goal is to NOT make any money from volunteer deposit
- This year league has created many more volunteer roles making it easier for families to get their deposit back

This year our focus is greater community, continued player development, greater communication and ensuring a fun and effective experience for players, coaches and families

Team Parent Role

- Liaison between the League, Manager, Coaches and Parents and assist with team communications
 - Ensure you have all applicable player paperwork
 - Coordinate team volunteers and event volunteers
 - Manage team participation in league events: Picture Day/Movie Night, Jamboree, San Jose Giants and Oakland A's Day of Fun
 - Other duties
 - Put together a snack schedule (mainly T-Ball and Rookie)
 - Organize the season end team party (league provides medals for Rookie & T-Ball)
-

REQUIRED FORMS

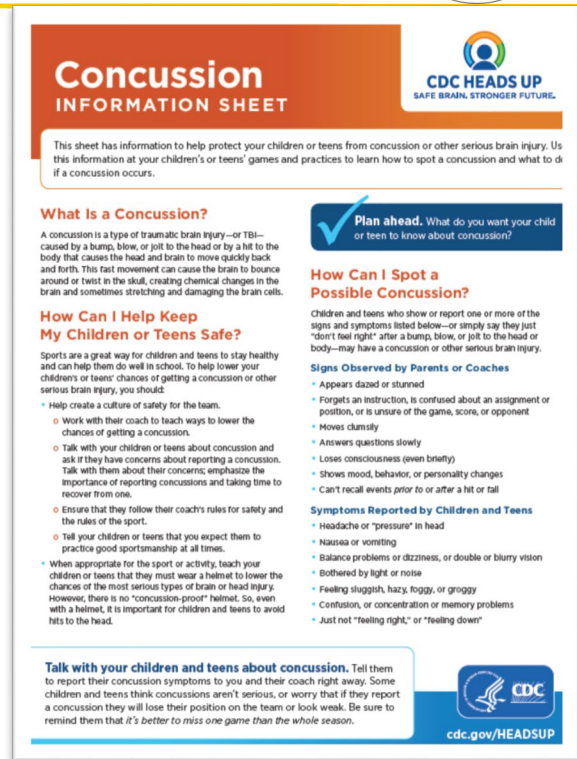

Required Forms

- Each player must provide completed forms to team parent
 - [medical release form](#)
 - heads up concussion (fact sheet)

Volunteer Process | Background Check

- Managers, Coaches, Field Prep, Team Parent, Score Keepers, Game Coordinator, and anyone that helps at a practice must be cleared through JDP process
 - Parent would indicate themselves as a volunteer during registration on the San Ramon Little League Website
 - The league run reports weekly that gives us any new volunteers we haven't processed
 - If a parent signed up post registration, managers send us the- name and email of each volunteer so we can verify we have already cleared them or if they were not in the report then we would need to process them before they are cleared to volunteer

Good thoughts for dry weather...and patience!!!

Thank You So Much

APPENDIX

Field Prep – 2 volunteers per team

- Before the game:
 - Rake and fill-in the pitcher's mound and batter's box.
 - Drag the field
 - Chalk the foul lines and batter's box
 - › The machines come fully assembled. However, the handles are folded to fit inside of the box for shipping purposes. Once the box is opened, fold the handle into the upright position and tighten the nuts.
 - › The width of the line can be adjusted by raising or lowering the assembly plate the cans slide into. This is accomplished by loosening the wing nuts on each side of the machine, raising or lowering the plate to the desired width, and tightening the wing nuts again.
 - › The spray tip should be oriented in parallel position to the front of the machine. Another way to think of it is to make sure the can is positioned to where the oval tip is facing from left to right if looking down at the machine instead of back to front. This is important because if the can isn't in the proper position, the width of the line will be much narrower.
 - Set up bases, cones, and fences
 - After the game:
 - Put away bases, cones and fence
 - Rake pitcher's mound and batter's box, removing all indentations and making them smooth
 - Be sure dugouts and spectator areas are clean and all trash is disposed of properly.
 - Lock all equipment in storage boxes and/or container
-

Umpire in Charge – 1 per team

- The UIC (Umpire in Charge) and Game Coordinator is used for any safety issues that might occur on the field *when an adult umpire is not present*. The UIC-Game Coordinator should be the same individual designated as “UIC” for the SRLL.
- Most umpires will be youth aged, so Little League requires a designated adult on the field to handle any issues that may arise.
- Some issues under the responsibility of the UIC could include stopping or suspending a game due to lightning, darkness, unsafe conditions due to rain, etc.
- The UIC will not only handle safety concerns, but is also to mitigate any questions between Managers and umpires.
- The UIC is to serve as an advocate for the youth umpire and ensure that no coach, parent, or spectator uses unsportsmanlike behavior or intimidation.
- Any safety issues and resulting stoppage in play will be at the discretion of the UIC and should be communicated with the Lead Field umpire, and then to each Team Manager.

Umpire in Charge – 1 per team

- The UIC may also monitor and supervise behavior in the stands, such as inappropriate language or heckling of umpires or players, or even other spectators. The UIC may require any Coach, parent, or spectator to leave the field and viewing area if such person is deemed to be disrupting the game with any inappropriate behavior. A game may be delayed or suspended at the UIC's discretion until any person asked to leave the game has complied.
- Any behavior concerns should be formally and immediately reported by the UIC to the appropriate Division Director.
- For each game, the home team will provide a designated adult UIC /Game Manager.
- The designated UIC/Game Manager Game should plan to introduce themselves to the Team Managers and umpires prior to the game and also be present at the plate meeting.
- The UIC needs not be ON THE FIELD during play, but DOES need to be in a position to observe all the actions of the coaches and players.
- If no umpire is available for the game, the UIC will serve also as the Field Umpire, and may solicit help from other adults who have been cleared as a volunteer through the league.
