Dear SROLL Parents,

The end of the 2010 Little League Season is fast approaching which means we are gearing up for All-Stars and Post-Season Tournaments. Being selected for one of these teams is an honor and all out commitment for the parents and players. In addition to tournament games, the player is expected to attend scheduled practices. Full attendance is expected. Missing practices would be unfair to your teammates, coaches and other potential post-season candidates. Players who do not honor their commitment may be removed from the team at the discretion of the manager and division player agent.

Parent volunteer participation is essential to the success of San Ramon Little League post-season play. Thus, if your son is selected for the International All-Stars or Tournament Team, parents would be committing to additional hours of volunteer work during San Ramon hosted tournaments. This would include snack-shack duty, scorekeeper, field prep, public address host, and other volunteer positions available.

Additionally, in helping to make the All-Star experience successful, we will have each team participate in a few (no more than 3) additional training sessions at TPC. In order to subsidize this expense and other expenses for the All-Star teams, we will be asking each player to pay \$75 to participate in All-Stars. This fee will be due no later than June 25th.

***Sunday Sessions:** As a way to kick off our All-Star process, we will offer Sunday Sessions. **Starting Sunday, May 16th (4pm to 6pm)**, we will have player training sessions for anyone who is serious about being considered for playing in the post-season. These training sessions will focus on specific baseball skills like base running, outfield work, cut-offs, bunting, and defensive skills – and will NOT include a lot of throwing, pitching or hitting. **Please have players report to the following field based on their age group along with this form.**

12's: AD3

11's: AD4

10's: AD1

9's: TBD

We will hold on-going Sunday practices May 23th, and June 30th.

Other Key Dates for Post-Season:

Approx. May 25th, 2009 – Selection of Post-Season Managers and # of teams per age group

June 15th, 2009 – Announcement of International All-Star and Tournament Teams

June 27th, 2009 – Start of District International All-Star Tournaments
